CONFLICT RESOLUTION

I have reviewed the identified financial relationships for the Meeting Planner, Speaker, Reviewer, Author, or CME Committee Member (including their spouse/partner) and handled potential conflicts of interest in the following way (check all that apply):

Conflict resolved based on my knowledge of the speaker, topic, and potential financial commercial conflicts(s) listed: *explanation required* in comment box.

- ☐ Speaker topic and presentation are unrelated to the speaker's or spouse/partner disclosed financial relationship(s) with commercial interest(s).

Comments:

PEER EVALUATION

The speaker's presentation was reviewed:

- ☐ Changes were made to the content (describe below).
- ☐ Content is valid and aligned with the interests of the public.
- ☐ All recommendations involving clinical medicine are based on best available evidence.
- ☐ All scientific research referred to, reported or used in the CME activity in support of or as justification of patient care recommendations conforms to the generally accepted standards of experimental design, data collection, and analysis.

Comments:

ALTERED CONTROL OVER CONTENT

- ☐ Another individual was selected to control that part of the content.
- ☐ The focus of the CME activity was changed.
- ☐ The content of the person's individual's assignment was changed.

Comments:

ELIMINATION

- ☐ Activity Directors, Planning Committee Members, Speakers or Authors were perceived as having unresolvable conflicts of interest or being biased and were eliminated from consideration as resources for this and subsequent certified CME activities.
