

# MIDSOUTH PHARMACY RESIDENTS CONFERENCE

## Abstract Guidelines 2022 MidSouth Pharmacy Residents Conference

Each abstract will be published in conference materials exactly as submitted. Please have your abstract ready for submission prior to registering. Residents are encouraged to ensure all grammar, punctuation, and capitalization are reviewed before submitting the final document.

### Abstract Guidelines:

1. Please adhere to the following standards:

- **Title:** Limited to 2 lines of text (short, specific titles are preferred)
- Include all authors' name(s), affiliation, city and state (do not use degrees or titles).
- The **remaining** sections (listed below) must be included, and **collectively must be 350 words or less.**
  - **Background/Purpose, Methodology, Results and Conclusion**

2. If the Results of your work are not completely analyzed at the time of abstract submission, present what you have and describe these as preliminary. If no results are available at all, please indicate that results will be described.

3. The Presentation Objective represents a fundamental learning concept that the audience should be able to demonstrate after the presentation.
