

# MIDSOUTH PHARMACY RESIDENTS CONFERENCE

## Presentation Guidelines

***Complete and FINAL presentations must be uploaded electronically through the speaker resource center no later than Friday April 18, 2025.***

### **Requirements:**

- **Recommended PowerPoint file type: .pptx and created in widescreen format (16:9)**
  - Max file size: 250 megabytes
  - File name should only be "last name, first name" of the registered resident (that will be giving the presentation)
- **Title slide:** with name & affiliation of presenter
  - Recommended: slide with a brief statement describing your practice site & patient population
- **Content**
  - Objective(s) for presentation
  - Background to the project/study
    - Goal/objective(s) for the project/study may also be included here
  - Methods employed
  - Results
  - Conclusions (including future directions, if relevant)

**Length of Presentation:** Approximately 15 minutes is allotted for each presentation including time for questions. Consider allotting 12 minutes for the presentation with 3 minutes for questions. At approximately 15 minutes, the moderator will conclude the presentation so that the next presenter may access and prepare for their presentation.
