

WOMEN OF DISTINCTION FOR THE ST. JUDE GOLD LUNCHEON

Join an exclusive group of women committed to supporting the fight against childhood cancer. These women are role models and leaders in their community and give back in their own way – through work, family or philanthropy. They demonstrate a willingness to raise funds and awareness for St. Jude Children's Research Hospital to fulfill Danny Thomas's wish that *no child should die in the dawn of life*.

With a \$2,500 fundraising or donation commitment, Women of Distinction will:

- represent businesses and groups who want to celebrate their own women leaders
- attend an exclusive VIP cocktail reception on Tuesday, September 26th with our sponsors, panelists and other Women of Distinction
- be included in a local Memphis publication with other St. Jude Gold Luncheon Women of Distinction
- attend a half day seminar with ALSAC/St. Jude senior leadership and other hospital guests
- be recognized at the third annual St. Jude Gold Luncheon on Wednesday, September 27th
- be listed with other St. Jude Gold Luncheon Women of Distinction on our event website and program
- host a table of 10 at the St. Jude Gold Luncheon

St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Everything we do is centered on our mission: *Finding cures. Saving children®*.

St. Jude freely shares the discoveries we make, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Our laboratories may not be in your community but our discoveries are.

Families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.
