

Hosting A School-Based Fundraiser

Thank you for hosting a fundraiser for St. Jude Children's Research Hospital.® School-based fundraisers provide the perfect opportunity to teach students the importance of helping others while supporting the lifesaving mission of St. Jude. Here are a few ways your school can fundraise for St. Jude:

Talent Show

Show off your skills and talents while supporting kids in need with a school-wide talent show. Participants pay a fee to take part in the event and solicit pledges from supporters to raise funds. To encourage additional fundraising, offer an award to the student who raises the most money.

Bake Sale

Combine your love of baking with a cause you care about. Have parents donate baked goods and create a friendly competition between classrooms to see who can raise the most money. Bake sale locations can include school athletic events, local businesses and church/religious gatherings.

Walk-A-Thon

Gather students, friends and family to participate in a fun neighborhood 5K, walk, or bike race. Include your favorite activities like face painting and yard games. Participants pay a fee to take part in the event and solicit pledges from supporters to raise funds.

What You'll Need:

- Venue or outdoor space
- Volunteer support
- Promotional materials (included in your online fundraising center)
- Sponsor forms (included in your online fundraising center)
