

# You Can Help St. Jude Kids

You can make a difference for kids battling cancer and other life-threatening diseases at St. Jude Children's Research Hospital®. Your support ensures that St. Jude families never receive a bill from St. Jude for treatment, travel, housing or food—so they can focus on helping their child live.

## About St. Jude

- St. Jude treats children from all 50 states and around the world.
- Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to more than 80 percent since it opened in 1962. And we won't stop until no child dies from cancer.
- St. Jude shares the breakthroughs it makes, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children.
