

2019 St. Jude
martial arts event

Hosting A Martial Arts Fundraiser

Thank you for hosting a fundraiser for St. Jude Children's Research Hospital.® Community fundraisers provide the perfect opportunity to pair your passion with our mission: Finding cures. Saving children.® Here are a few ways you can turn your passion for Martial Arts into a fundraiser benefiting St. Jude:

Exhibition

Show off your skills while supporting kids in need with an exhibition. Spectators pay a fee to take part in the event and participants solicit pledges from supporters to raise funds.

Tournament

Mix fundraising with some friendly competition by organizing a tournament benefiting the kids of St. Jude. Participants pay a fee to compete and solicit pledges from supporters to raise funds.

Demonstration

Beat childhood cancer with a fun and entertaining board-breaking demonstration. Spectators pay a fee to attend the event and participants can solicit pledges per kick, punch or for each board broken.

Kick-A-Thon

Go the distance when you organize an "A-Thon" event. Challenge others to get involved in the competition by asking them to solicit pledges from friends and family for support.

Pop-Up Class

Offer a special donation-based class benefiting the kids of St. Jude. To encourage participation, offer a drawing for a free month of classes or lessons.

What You'll Need:

- Venue or outdoor space
- Volunteer support
- Promotional materials (*included in your online fundraising center*)
- Sponsor forms (*included in your online fundraising center*)

For additional ideas, tools and resources, visit stjude.org/diy or contact your coordinator support team at **1-800-457-2444** or specialevents@stjude.org.
