ST. JUDE FINANCIAL FACTS

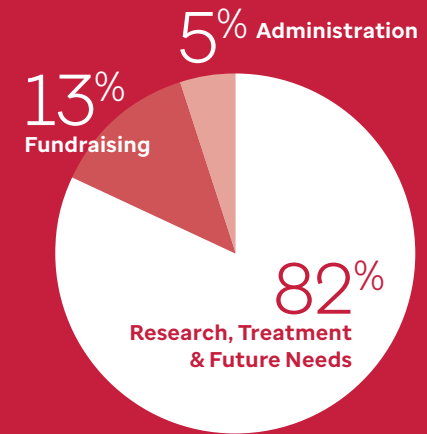

St. Jude Children's Research Hospital®

is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. As a world-class children's hospital, cutting-edge research institution and respected charity, our purpose is clear: *Finding cures. Saving children.*®

For more than 55 years, St. Jude has taken on many of the most difficult and under-served pediatric diseases. St. Jude revolutionized the way the world treats pediatric cancer, and treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent when the hospital opened in 1962 to more than 80 percent today.

82 CENTS OF EVERY DOLLAR

received from donations, research grants, insurance recoveries and investment returns goes to support the current and future needs of St. Jude (13% goes to fundraising, 5% to administration). Our donors can trust that their giving has helped save the lives of thousands of children.

RESEARCH & CARE HIGHLIGHTS

- St. Jude ranked as the No. 1 pediatric cancer hospital on *U.S. News & World Report's* 28th Annual "Best Hospitals" list.
- St. Jude is the first and only pediatric cancer center to be designated as a Comprehensive Cancer Center by the National Cancer Institute.
- St. Jude conducts more clinical trials for cancer than any other children's hospital.
- It will cost approximately \$1 billion to operate St. Jude this year and the majority of that comes from generous donors.
