# WHY ST. JUDE?

Our laboratories may not be in your communities but our discoveries are.

**24** PARTNER SITES IN **17** COUNTRIES

***St. Jude freely shares its discoveries,***  
*and every child saved at St. Jude means*  
*doctors + scientists worldwide can use that*  
*knowledge to save thousands more children.*

Treatments invented at  
St. Jude have helped push  
overall childhood cancer  
survival rates

FROM **20%** IN **1962**

TO

MORE THAN **80% TODAY**

**We won't stop**  
until no child dies  
from cancer.

St. Jude has treated  
patients from all **50 states**  
**& around the world.** Doctors  
often send their toughest cases  
to St. Jude because we have the  
world's **best survival rates** for  
some of the most aggressive  
childhood cancers.

Families **never receive a bill from St. Jude for treatment, travel, housing or food**—because all a family should worry about is helping their child live.

  
**St. Jude Children's  
Research Hospital**

Finding cures. Saving children.

St. Jude patient Aubrey  
with her mom

Local hospitals are vital to the health of children in every community. They deserve and need your support. Thankfully, compassion does not have to be limited to just one cause. St. Jude Children's Research Hospital® is a national resource with a global mission. Our work helps children around the world, including kids in your community.

**Help St. Jude continue our mission:**  
Finding cures. Saving children.®

There are great children's hospitals, research institutions and charities

# ST. JUDE IS ALL 3

## A GREAT CHILDREN'S HOSPITAL

- St. Jude is the **first & only** pediatric cancer center to be designated a **comprehensive cancer center** by the National Cancer Institute.
- St. Jude has the nation's **first proton therapy center** dedicated solely to children.
- St. Jude sees on average 8,500 kids per year and provides **hundreds of free consultations** for doctors worldwide.

## A GREAT RESEARCH INSTITUTION

- St. Jude conducts **more clinical trials for cancer than any other children's hospital**, turning laboratory discoveries into lifesaving treatments every day.
- St. Jude was the **first children's hospital** to make a **major investment in pediatric cancer genome sequencing** to help unlock the secrets of childhood cancer.

## A GREAT CHARITY

- Families never receive a bill from St. Jude for treatment, travel, housing or food—**because all a family should worry about is helping their child live.**
- Because the **majority of St. Jude funding comes from individual contributors**, St. Jude has the freedom to focus on what matters most—**saving kids regardless of their financial situation.**
