VIRTUAL EXPERIENCE

REGISTER NOW!

The St. Jude Kids Marathon Virtual Experience is a great way for kids and families to participate in the virtual marathon weekend! Your child can run 25.2 miles using our official mileage tracker in the weeks leading up to race day. They'll complete the final mile on race day, Saturday, December 5 in their neighborhood, local park or location of choice. Throughout their journey, kids will have the opportunity to get active, complete random acts of kindness and give back. Kids will receive an official race shirt, finisher medal and finisher certificate. Kids will also have the opportunity to fundraise for St. Jude Children's Research Hospital and earn cool incentives along the way!
