SPECTATOR GUIDELINES AND TIPS

Plan ahead, cheer loud, experience Memphis and have fun! Here's how:

Ahead of time:

- Download the runner tracking app (see reverse side) to track your runner's progress along the course.
- Plan where you'll be on the course and tell your runner so they know when to expect your support.

During the race:

- Cheer for everyone and greet them by race number and name. All participants need support and appreciate encouragement!
- Stay on sidewalks or curbs. It's important to stay off the roads and course routes.
- Be respectful of our Memphis neighbors and businesses by not leaving behind any cheer items or trash.
- Please remember that portable toilets are for registered participants only.

Law enforcement and race officials will be stationed at the start, finish and along the routes. Safety is everyone's responsibility. If you see something, please notify a law enforcement officer or race official. Drones are not allowed.
