

ALSAC Heritage Wall

When the late entertainer Danny Thomas dreamed of building a children's research hospital like no other, he knew he needed the help of dedicated supporters from across the nation. He formed ALSAC, the fundraising and awareness organization for St. Jude Children's Research Hospital®.

Today, St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. And thanks to the support of people like you, families never receive a bill from St. Jude for treatment, travel, housing or food—so they can focus on helping their child live.

Our **ALSAC Heritage Wall** recognizes important donors who continue the legacy of Danny Thomas by supporting the mission of St. Jude. Located prominently in the newly renovated Tamer-Rashid building on the St. Jude campus, your inscribed plaque will serve as inspiration to the people who work tirelessly to raise funds and awareness for the lifesaving work of St. Jude.
