

HELP US

PAVE THE WAY

FOR PROGRESS AND DISCOVERY

Every building on the campus of St. Jude Children's Research Hospital® represents an investment in the future of science and research. Day by day and brick by brick our generous donors are helping us move toward a day when no child dies in the dawn of life.

The Pathway to Hope is a brick walkway leading to the new St. Jude Advanced Research Center. The new center features 625,000 square feet of laboratory space focusing on emerging fields of biomedical research and state-of-the-art shared resources

for scientists. Designed as an interactive hub of exploration and discovery, the new center will cultivate transformative research. By purchasing a brick on the Pathway to Hope, you help St. Jude as it takes this next step in the fight against childhood cancer and other life-threatening diseases.

Together, we can pave the way with hope, and help save lives.

At St. Jude, every brick on the Pathway to Hope tells a special story. For kids like **CJ**, his brick celebrates something amazing—the end of chemotherapy. Claim a piece of the St. Jude campus for someone special today.

Please avoid the words "In Memory Of."

In consideration of the children and families who will see your brick, St. Jude respectfully requests that bricks be inscribed "In Honor Of", "In Tribute To", "Dedicated To", or "In Celebration Of" the name you designate, in lieu of "In Memory Of."

In addition, **bricks may not include specific dates** (i.e. May 24, 2020) **or a range of dates**, but may include a month and a year (i.e. May 2020).

Seeing the words "In Memory Of" or specific dates can be difficult for our patients and their families, and we want to encourage them to think positively as they undergo treatment. Thank you for sharing our concern for the feelings of St. Jude patients and their families.

Thank you for supporting the kids of St. Jude!

A rendering of your brick(s) will be delivered to the address provided within 4-6 weeks of your received order.
