

How to Kickstart your Fundraising

1

Kickstart your fundraising

Make a self-donation and show your donors that you're committed to this mission.

2

Make it your own

Personalize your fundraising page by uploading a photo of yourself and customize your url.

3

Send five texts

Text your personalized url to five family members or close family friends to tell them how you are helping to end childhood cancer.

4

Get social

Post a video, Boomerang or photo to catch your followers' attention. Don't forget to include your personalized url!

5

Email five people

Utilize your fundraising center's pre-made email templates and add your personalized url to email to five people.
