

Dear _____,

Did you know that September is Childhood Cancer Awareness Month? This year, I'm helping to end childhood cancer by participating in the *St. Jude Walk/Run to End Childhood Cancer*, and I need your support to reach my fundraising goal.

St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.

Will you help me support St. Jude by donating today?

Your gift will help St. Jude provide lifesaving treatment for kids like Rylee and Marleigh.

To make your donation, please visit my fundraising web page or mail a check, made out to St. Jude Children's Research Hospital, to my return address below.

St. Jude patients Rylee, age 9, and Marleigh, age 8
