Because the majority of St. Jude Children's Research Hospital® funding comes from generous donors, St. Jude has the freedom to focus on what matters most—saving kids regardless of their financial situation. Every dollar makes a difference.

Your support can help St. Jude provide:

\$3 Pediatric isolation masks

\$7 Blank medical teaching doll

\$10 New toy for play areas

\$22 Rehabilitation weights

\$30 Daily meal card

\$100 Pair of pediatric crutches

\$250 One red blood cell transfusion

\$500 One hour of physical therapy

\$750 Two days of oxygen

When you make a donation using this information, your donation will be used to provide breakthrough research, treatment and cures. Items listed here are representative of services and supplies that are part of the treatment and care of children at St. Jude. The cost of each item or service is an approximation, and will vary based on actual cost incurred and individual patient needs. Your donation will be used for the general operating needs of St. Jude, where no family ever receives a bill for treatment, travel, housing or food.
