

# Your child puts the **POW** in power when it comes to helping the kids of St. Jude

As part of our ongoing commitment to St. Jude Children's Research Hospital®, we're bringing an exciting new opportunity to our classroom. Through St. Jude Heroes Jr., students will learn what it takes to be a Hero as they participate in fun fitness activities and simple character-building lessons. All funds raised will support kids battling cancer and other life-threatening diseases at St. Jude.
