

Apply to experience the **St. Jude Phi Delta Chi Shadow Day 2021**

In the past, Shadow Day has been an opportunity for top fundraisers to visit and experience the pharmacy at St. Jude Children's Research Hospital®.

This year's annual event may look a little different, but **5-10 members** will have **exclusive access** to tune-in with fellow Brothers to:

Hear from a **St. Jude patient** sharing their story

Get a behind the scenes look at the **St. Jude pharmacy**

Take part in a live **Q+A with a St. Jude pharmacist**, and more

This two hour event will be streamed on ZOOM. The official time and date for our mid-January event will be announced soon!

Visit stjude.org/pdc to apply and learn more.

The application is live November 9-23.
