Dear _____,

As a member of Tri Delta, I am proud of our longstanding relationship with St. Jude Children's Research Hospital. Since 1999, Tri Delta has worked alongside St. Jude to help **lead** the way in the fight against childhood cancer and other life-threatening diseases. It is our privilege to bring **unselfish leadership and kindness** to the patients and families of St. Jude by helping make a global impact in the fight against childhood cancer. We live out our purpose by helping kids in the fight for their lives . . . like Katherine, who was diagnosed with Hodgkin lymphoma.

Katherine was referred to St. Jude where she was placed on a treatment plan that included eight weeks of chemotherapy. During her time at St. Jude, she and her family stayed at Tri Delta Place, the short-term, on-campus housing facility, named in response to Tri Delta's commitment to raise \$60 million in 10 years.

Now out of treatment, Katherine continues her love for competitive swimming. She said, "I used to get so nervous before a swim meet, but now I'm like, 'Katherine, you've gone through something worse than this. It's just a swim meet. You swim every day. So relax now.'"

Katherine's family, like all St. Jude families, will never receive a bill from St. Jude – not for treatment, travel, housing or food – because all a family should worry about is helping their child live. As my Tri Delta sisters and I continue to work hard to help St. Jude provide that comfort to patients fighting cancer and other deadly diseases, and their families, we know we could not be successful without the steadfast support from family and friends like you. Give a gift that gives by making a donation to St. Jude. Your one-time or monthly donation will help St. Jude give kids like Katherine a chance to grow up, attend college and fulfill their dreams, just like I have.

Your donation will help us **Bravely, Boldly, and Kindly** support St. Jude. Thank you for supporting me, my sisters and Tri Delta.

With Delta Love,
