Dear _____,

As a member of Tri Delta, I am proud of our longstanding relationship with St. Jude Children's Research Hospital. Since 1999, Tri Delta has worked alongside St. Jude to help **lead** the way in the fight against childhood cancer and other life-threatening diseases. It is our privilege to bring **unselfish leadership and kindness** to the patients and families of St. Jude by helping make a global impact in the fight against childhood cancer. We live out our purpose by helping children in the fight for their lives... children like sweet Bella, who was diagnosed with brain cancer.

Bella had surgery to remove a brain tumor in her home country of India, but the prognosis was poor. Then a stranger told her parents about a hospital in the United States: St. Jude. "He just came like God had sent a messenger," remembered Bella's dad.

Bella's parents had never heard of St. Jude or been to the U.S. before, but after a referral, the family arrived at St. Jude. Once here, Bella received proton therapy and chemotherapy.

Her dad said, "Unless someone comes here and experiences it, no one will believe that there could be such an organization in the world in these kind of times, when everyone is living for themselves."

Bella's family, like all St. Jude families, will never receive a bill from St. Jude - not for treatment, travel, housing or food - because all a family should worry about is helping their child live. As my Tri Delta sisters and I continue to work hard to help St. Jude provide that comfort to the patients and families of St. Jude, we know that we could not be successful without the steadfast support of family and friends like you. Give a gift that gives by making a donation to St. Jude. Your one-time or monthly donation will help St. Jude give children like Bella a chance to grow up, attend college and fulfill their dreams, just like I have.

Your donation will help us **Bravely, Boldly, and Kindly** support St. Jude. Thank you for supporting me, my sisters and Tri Delta.

With Delta Love,
