

St. Jude Trike-A-Thon

Coloring Book

Teaching kids the power of giving back

Please use this coloring book as a helpful tool to guide your young learners through a week of fun Trike activities and lessons on caring for others. Thank you for participating in the St. Jude Trike-A-Thon!

To start your fundraiser and learn more about setting your fundraising goal, visit stjude.org/trike.

Day One

Let's ride for St. Jude!

Today is the first day of the St. Jude Trike-A-Thon. This week we will all learn the importance of learning how to be kind, helpful and caring. Most of all, we will learn WHY we are riding our trikes, bikes and scooters.

Let's ride for

ST. JUDE

DAY 1:

Fundraising for St. Jude kids can be fun and easy,
like riding bikes and scooters with friends.

Day Two

Always be KIND!

Because of kindness from St. Jude supporters like you, your family and your friends, St. Jude provides customized care for some of the world's sickest children regardless of their race, ethnicity, beliefs or ability to pay.

TRIKE TIP:

Remember for your St. Jude Trike-A-Thon event later this week, you always need to listen to instructions for everyone's safety.

Always be KIND

DAY 2:

Always be kind to your friends, just like St. Jude doctors and nurses are always kind to St. Jude patients.

Day Three

Always be HELPFUL!

Did you know that St. Jude is helpful to the sickest kids from around the world? St. Jude is working to give kids everywhere a chance to survive cancer.

FUNDRAISING TIP:

Reach out to your family and friends to ask for help reaching your fundraising goal.

Always be

HELPFUL

DAY 3:
You can help give St. Jude kids a chance to get better.

Day Four

Always be a FRIEND!

This week we've learned the importance of being kind and being helpful, so today we're going to learn the importance of being a friend. Always treat your friends as you would like to be treated.

TRIKE TIP:

It is always important to wear helmets and watch out for other riders and adults. Take turns riding your trikes, bikes and scooters to keep you and your friends safe.

Always be a

FRIEND

DAY 4:

St. Jude is committed to love and care
for our neighbors and our friends.

Day Five

I helped ST. JUDE KIDS!

Before your Trike event begins, here are a few reminders:

- Have all Trike Permission Slips been submitted to your Event Lead?
- Have all participants received their Participant Certificate?
- Do all of the participants have a helmet and any other safety equipment needed?

Have fun celebrating all you and your riders have learned in support of St. Jude and its mission:
Finding cures. Saving children.®

I helped

ST. JUDE KIDS

DAY 5:

Because of supporters like you, St. Jude can treat children from all 50 states and from around the world.
