As your classroom continues to learn about St. Jude Children's Research Hospital® and its lifesaving mission by participating in the St. Jude Trike-A-Thon, use these fun grid puzzles as a classroom-inclusive activity. Everyone can take turns and work together to color an individual piece of the puzzle. Once all grid pieces are completed and colored, figure out the correct puzzle order to reveal a secret image. (Puzzle Key is located at the bottom of this sheet.)

- 1 PRINT** out one complete puzzle
 - Each puzzle has 16 pieces and is bundled separately
- 2 GIVE** each student one grid piece to color
 - Students will not know the final image until the entire puzzle is complete
- 3 COLLECT** all completed colored pieces
 - Have students help put the puzzle together
- 4 REVEAL** the final puzzle image
- 5 SHARE** the completed puzzle with other classes or display at your Trike event
