St. Jude patient Reese, at age 2, ependymoma

You Make a Difference.

Your participation in this *Saddel Up® for St. Jude* event is important. The donations you collect will help fund the lifesaving research and treatment at St. Jude Children's Research Hospital.® From the staff, parents and patients of St. Jude – *Thank You!*

Why Participate?

- *Saddle Up for St. Jude* allows you to help kids at St. Jude Children's Research Hospital by raising money for research and treatments.
- Families never receive a bill from St. Jude for treatment, travel, housing, or food – because all a family should worry about is helping their child live.
- Because the majority of St. Jude funding comes from individual contributors, St. Jude has the freedom to focus on what matters most – saving kids regardless of their financial situation.
- St. Jude freely shares the breakthroughs it makes, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children.

How Do You Participate?

1. **Set Your Goal.** Raise \$75 – earn a *Saddle Up for St. Jude* pin, T-shirt and bag.
2. **Get Sponsors.** Ask friends, relatives, neighbors, business associates and local businesses to sponsor you. Set up your fundraising page on stjude.org/saddleup where your sponsors can show their support with credit card donations.

Who Do You Help?

Reese is an active toddler who loves to dance. But from the time she was 6 months old, Reese was plagued by frequent fevers. In early 2013, she was hospitalized for dehydration. Several months later, Reese had a seizure. An MRI soon revealed she suffered from a brain tumor called an ependymoma. Reese underwent surgery to remove the tumor. Once she recovered, her family turned to St. Jude for her treatment, which included chemotherapy and proton radiation therapy. Reese's personality is big. She likes to be the center of attention. “She's happy and outgoing,” said her mom. “God has big plans for her.”
