

CURRICULUM VITAE

NAME:

Jennifer Q. Lanctot, Ph.D.

OFFICE ADDRESS

St. Jude Children's Research Hospital
262 Danny Thomas Place, MS 735
Memphis, Tennessee 38105-2794
Telephone: (901) 595-5916
Fax: (901) 595-5845
E-mail: Jennifer.Lanctot@stjude.org

EDUCATION:

B.S. 2000 Mississippi State University, Starkville, Mississippi (Human Science,
Concentration in Nutrition)
M.S. 2001 University of Memphis, Memphis, Tennessee (Consumer Science and Education)
Ph.D. 2005 University of Memphis, Memphis, Tennessee (Educational Psychology and
Research)

HONORS AND AWARDS

Leadership Scholarship- Mississippi State University
Dean's List, Mississippi State University
President's List, Mississippi State University
Omicron Kappa Delta, Mississippi State University
Kappa Omicron Nu, Mississippi State University
Golden Key Honor Society, Mississippi State University
Dean's List, University of Memphis
Chancellor's List, University of Memphis
Outstanding Graduate Student Award, University of Memphis

SOCIETY MEMBERSHIPS

North American Association for the Study of Obesity

RESEARCH INTRESTS

Childhood Obesity Prevention
Health Behavior and Outcome Measurement
Research Methodology and Statistics
Late Effects of Treatment in Childhood Cancer Survivors

PROFESSIONAL POSITIONS:

2001-2002 Nutrition Coordinator. University of Memphis Center for Community Health,
Memphis, TN. Nutrition Coordinator for a NIH-funded U01 focusing on obesity

prevention in preadolescent African American females. Responsibilities included oversight of collection of diet records, quality assurance of data, data analysis, conducting focus groups and intervention development. Supervisor: Michelle Stockton, PhD.

- 2002-2006 Project Director. University of Memphis Center for Community Health, Memphis, TN. Project Director for a NIH-funded U01 focusing on obesity prevention in preadolescent African American females. Responsibilities included overseeing minority recruitment, data collection, data analysis, and supervision of case managers and graduate students. Supervisor: Robert Klesges, PhD
- 2006-Present Clinical Research Scientist- St. Jude Children's Research Hospital, Department of Epidemiology and Cancer Control. Director of the Clinical and Survey Research Data Center for the department of Epidemiology; assisting the PI of CCSS, SJLIFE, GEMS and all other studies within the Cancer Prevention and Control Program department. Supervisor: Les Robison, PhD

TEACHING EXPERIENCE

Courses Designed and Taught

University of Memphis

- EDPR7521/8521. Introduction to Educational Research (3 credits; Spring 2004)
- EDPR7541/8541. Statistical Methods Applied to Education I. (3 credits; Fall 2005, Spring 2006)

Lectures

University of Memphis

- HPRO7142 Seminar in Health Promotion Spring; *Successful Clinical Trails Management* (Fall 2005)
- EDPR7521/8521 Introduction to Educational Research; *Understanding Quantitative Data Analysis* (Spring 2006)
- EDPR7521/8521 Introduction to Educational Research; *Designing Quantitative Research* (Fall 2007)

University of Tennessee

- BIOE814 Theories of Health Behavior Change and Intervention Design; *Development and Outcome of a Targeted Obesity Prevention Intervention: GEMS for African American Girls* (Spring 2008)

STUDENT COMMITTEES:

- Maria Luchessi, M.S. University of Memphis, Department of Health and Sports Sciences, *Calcium intake and body composition in children*. May 2005.

COMMITTEE RESPONSIBILITIES

Society for Research on Nicotine and Tobacco

2006 Abstract Reviewer, Annual Meeting

Community-Based Committees

2008- 2013 Member, Tennessee Comprehensive Cancer Control Coalition

2005- 2007 Member, Healthy Memphis Common Table

PROFESSIONAL TRAINING:

2001 Certified trainer in Nutrition Data System for Research through the Nutrition Coordinating Center at University of Minnesota

2003 Certified trainer in Anthropometric and Physical Measurements through the Center for Research in Disease Prevention at Stanford University

2004 Completed Nuclear, Biological, and Chemical Preparedness workshop

2006 Completed SAS programming workshop

2007 Attended "How to study the environmental determinants of obesity using Geographic Information System (GIS)-derived data workshop"

RESEARCH AND EXTERNAL SUPPORT:

Currently Funded Extramural Proposals

1 R01 CA132901-01 (Ness) NCI 04/01/09-03/31/13
 Motor Proficiency and Physical Activity in Adult Survivors of Childhood ALL
 To conduct a study that includes a direct, objective evaluation of musculoskeletal function, sensory capacity, fitness, motor proficiency and physical activity patterns among adults who were treated for childhood ALL at SJCRH between 1962 and 1998 and to recruit 340 participants in addition to 340 individuals for a comparison group.
 Role on Project: Co-Investigator

Completed Research Support

U01 HL62662 (Klesges, R.C., PI) 04/01/99-05/31/02
 NIH/NHLBI
 Decreasing Weight Gain in African American Preadolescent Girls, Phase I
 The major goals of this project are to identify social and behavioral determinants that will form the core of the intervention program.
 Role on Project: Nutrition Coordinator

U01 HL62662 (Klesges, R.C., PI) 06/01/02-11/30/08
 NIH/NHLBI
 Decreasing Weight Gain in African American Preadolescent Girls, Phase II

The major goals of this project are to conduct a 2-year randomized clinical trial comparing interventions to standard care.

Role on Project: Project Co-Director

R21DA021782 (Ward, K.D., PI)

06/01/06-5/31/08

NIH/NIDA

Population-based assessment of post-Katrina smoking relapse.

To determine the impact of Hurricane Katrina on the smoking relapse and health behaviors of the victims from New Orleans.

Role on Project: Co-Investigator

Emory University (Meacham, L, PI)

01/01/07-12/31/08

Lance Armstrong Foundation

Testicular and sexual dysfunction in adult survivors of childhood cancer

To assess psychosexual function in adult male survivors of childhood cancer enrolled in the Childhood Cancer Survivor Study (CCSS).

Role on Project: Project Director

U24 CA055727 (Robison, L.L., PI)

07/20/93-11/30/10

NIH/NCI

Childhood Cancer Survivor Study

The major goal of this study is to test a series of specific hypotheses related to treatment-specific sequelae in 20,000 survivors of childhood cancer.

Role on Project: Project Coordinator

CONSULTANTSHIPS:

Memphis and Shelby County Health Department (11/03-12/04). Served as an evaluation, methodological and statistical consultant for a U.S Department of Health and Human Science-funded investigation of community specific vulnerabilities, and recruitment of the Medical Reserve Corps.

University of Memphis, Department of Anthropology. (09/05-06/06). Assisting in the development of a telephone based smoking cessation counseling program for post treatment substance abuse clients.

EDITORIAL EXPERIENCE (Year first requested):

2006 American Journal of Health Behavior

2006 Journal of the National Medical Association

2007 Annals of Behavioral Medicine

2012 Preventive Medicine
