

CIRRICULUM VITAE
JUSTIN N. BAKER, MD, FAAP, FAAHPM
SEPTEMBER 18, 2017

OFFICE ADDRESS:

Department of Oncology
Chief, Division of Quality of Life and
Palliative Care
Director, Hematology/Oncology
Fellowship Program
St. Jude Children's Research Hospital
262 Danny Thomas Place, Mail Stop 260
Memphis, TN 38105-2794
Telephone: (901) 595-4446
Email: Justin.Baker@STJUDE.ORG

ACADEMIC DEGREES:

B.S. 1997	Oral Roberts University, Tulsa, OK (Biomedical Chemistry – Pre-Med)
M.D. 2001	University of Texas Health Science Center San Antonio, TX

ADDITIONAL EDUCATION AND TRAINING:

April 2006 – November 2006	Harvard Medical School, Boston, MA The Program in Palliative Care Education and Practice (93 CME)
August 2014	Alternative Dispute Resolution Institute Conflict Resolution and Bioethics Mediation Training for Healthcare

PROFESSIONAL APPOINTMENTS:

July 2001 – June 2002	Pediatric Intern University of Texas Health Science Center San Antonio, TX
July 2002 – June 2004	Pediatric Resident University of Texas Health Science Center San Antonio, TX
July 2003 – June 2004	Pediatric Chief Resident University of Texas Health Science Center San Antonio, TX
July 2004 – June 2007	Pediatric Hematology/Oncology Fellow St. Jude Children's Research Hospital Memphis, TN

July 2007 – November 2012	Assistant Member Departments of Oncology and Pediatric Medicine St. Jude Children’s Research Hospital Memphis, TN
November 2012 - Present	Associate Member, Department of Oncology St. Jude Children’s Research Hospital Memphis, TN
July 2011 - Present	Chief Division of Quality of Life and Palliative Care St. Jude Children’s Research Hospital, Memphis, TN
July 2011 - Present	Director Pediatric Hematology/Oncology Fellowship Program St. Jude Children’s Research Hospital Memphis, TN

BOARD CERTIFICATIONS:

General Pediatrics
Hospice and Palliative Medicine
Pediatric Hematology/Oncology

HONORS AND AWARDS:

Milwaukee Youth of the Year (1993)
President’s List (1993-1997)
Presidential (Full) Academic Scholarship (1993-1997)
Outstanding Student of the Year in the School of Arts and Sciences (1997)
Resident Advisor of the Year (1996)
Who’s Who among students in American Universities and Colleges (1993-1997)
Outstanding Chemistry Senior (1997)
Summa Cum Laude and Class Valedictorian (1997)
American Academy of Pediatrics Scholarship Recipient (2002-2003)
The University of Tennessee Health Science Center 2006 Distinguished Service Award
Awarded for Excellence in Clinical Teaching
The University of Tennessee Health Science Center 2007 Distinguished Service Award
Awarded for Excellence in Clinical Teaching
American Academy of Hospice and Palliative Medicine National Award for Young
Investigators - 2008
American Academy of Hospice and Palliative Medicine National Paper Award - 2008
St. Jude Children’s Research Hospital Clinical Improvement Award - 2010
Quality of Life Service – Founding Team Member
Memphis Business Journal Top 40 Under 40 Awardee – 2011
Fellow, American Academy of Hospice and Palliative Medicine – 2012
Inaugural St. Jude Family Advisory Council Partner in Excellence Award - 2012
The Hastings Center Cunniff-Dixon National Physician Award – 2012
Family-Centered Care Champion Award – 2013

St. Jude Children's Research Hospital *Encore!* Award – 2013
 “Best Overall Presentation” – ASPHO 2013
 Faculty Mentor of the Year Award Nominee – 2014
 AAHPM Inspirational Leader in Hospice and Palliative Medicine – 2014
 Appointed to the Academic HPM Leadership Council of the AAHPM – 2015
 Outstanding ORU BC Alumnus of the Year Award – 2017
 Memphis Business Journal Healthcare Heroes Honoree – 2017
 St. Jude Communicator of the Year - 2017

PROFESSIONAL SOCIETY MEMBERSHIPS

American Academy of Hospice and Palliative Medicine (AAHPM) – FELLOW (FAAHPM)
 Children's Oncology Group (COG)
 American Academy of Pediatrics (AAP) – FELLOW (FAAP)
 American Society of Pediatric Hematology/Oncology (ASPHO)
 American Society of Clinical Oncology (ASCO)
 The Association for Death Education and Counseling (ADEC)
 NIH LRP - Ambassador

RESEARCH INTERESTS:

- Integrating palliative care into the ongoing care of children with cancer
 - Decision making support
 - Pain and symptom management
 - Hospice and community-based care
- Ethical considerations surrounding enrollment in Phase I clinical trials
- Pediatric palliative care in developing countries
- Bereavement care of pediatric oncology families

PUBLICATIONS:

Book Chapters

1. *Symptom Control*
Caring despite curing: Palliative Care in Pediatric Oncology. Lemar Press 2006
Baker JN, Razzouk BI, Hinds PS, Ribeiro R, Schum L, Kane J, Beatriz de Camargo, Andrea Yurashima.
2. *Nausea and Vomiting*
Pain Management in the Low Resource Setting
Justin N Baker, Raul Ribeiro, Javier R Kane
3. *Specific Communication Topics - Resuscitation*
Textbook of Interdisciplinary Pediatric Palliative Care - First Edition
Justin N Baker, Editors: Joanne Wolfe, Pam Hinds, Barbara Sourkes.
4. *Integrating Palliative Care and Making Difficult Decisions*
American Childhood Cancer Organization – Guidance for Parents of Children with DIPG
Justin N Baker, Adam J. Tyson, Javier R. Kane
5. *Quality Improvement*
The Oxford Textbook of Palliative Care for Children - 2nd edition
 Javier R Kane and **Justin N Baker**
6. *Integrating Palliative Care and Making Difficult Decisions*
Patient Resource Handbook - Brain Tumour Foundation of Canada
Justin N Baker and Liza-Marie Johnson
7. *Palliative Care in Pediatrics*
 4th edition of Principles and Practice of Palliative and Supportive Oncology
 Liza-Marie Johnson, **Justin N Baker**, Melissa Delario, Javier R Kane
8. *Cancer Pain-High Technology Treatment Methods*
Pain Schools in Low Resource Settings
 Jamie Laubisch, Doralina Anghelescu and **Justin N Baker**
9. Cunningham M, Mahoney D, Levine D, Snaman J, Lyman J, **Baker JN**. “Symptom Management.” A Parent’s Guide to Enhancing Quality of Life in Children with Cancer. Ed. Ruth Hoffman, Sandra Smith. The American Childhood Cancer Organization, 2014. 27-47.
10. Kaye EC, Snaman JM, Johnson L, et al, **Baker JN**. Communication with Children with Cancer and their Families throughout the Illness Journey and at the End of Life. Palliative Care in Pediatric Oncology. Ed. Wolfe, Jones, Kreicbergs, & Momcillo. Springer; 2017. [In press]

Pediatric Palliative Care Educational Curriculum Development

“Development & Dissemination of Education in Pediatric Palliative Care”

R25 mechanism to adapt the Education in Palliative and End-of-Life Care (EPEC) Program for Pediatrics

Role: Content development expert and faculty member for national pediatric palliative care curriculum

Sections: Integrating palliative care into pediatric oncology and Procedural pain management strategies

National Comprehensive Cancer Network (NCCN) Guidelines

NCCN Clinical Practice Guidelines in Oncology (NCCN Guidelines.) ***Palliative Care.***

69. Snaman JM, Talleur AC, Lu J, Sykes A, Zhaolua L, **Baker JN**. Symptoms in Hospitalized Adolescent and Young Adult Oncology Patients at the End of Life. Accepted as poster presentation at the American Society of Pediatric Hematology/Oncology Annual Meeting, Montreal, Canada, April 2017.
70. Torres C, Linz A, Snaman J, Mandrell B, **Baker JN**. Team Members are Family: Examination of the Relationships between Oncology Staff and Bereaved Parents and the Impact on Parental Grief. American Society of Pediatric Hematology Oncology Annual Meeting, Montreal, Canada, April 2017. **Poster Parade Honoree for "a top abstract"**
71. Kaye EC, Gushue CA, DeMarsh S, Jerkins J, Sykes A, Lu Z, Proud L, Johnson LM, Snaman JM, Gibson D, Norris A, Levine DR, Morrison RR, **Baker JN**. Factors Predictive of Location of Death for Pediatric Palliative Oncology Patients. Poster presentation at St. Jude Research Day, Memphis, TN, April 2017.
72. Levine D, Mandrell B, Sykes A, **Baker JN**. Families are not the Barrier: Evaluating Attitudes toward Early Integration of Palliative Care in Pediatric Hematopoietic Stem Cell Transplant. Platform presentation at the 5th Annual Pediatric Blood and Marrow Transplant Consortium, Montreal, Quebec, April 2017.
73. Wilcox R, Snaman J, Parker K, Barnwell E, Snyder A, **Baker JN**. Incorporating Bereaved Parents as Educators in Palliative and End of Life Care for Children and Families. APHON national meeting; Palm Springs, CA, August 2017.

GRANT SUPPORT:

Active

5 R01 Sub w/ Children's Nation (Baker)	5/1/2016 - 4/30/2020	.60 calendar
NINR	\$101,311.00	
Building Evidence: Effective Palliative/End of Life Care Interventions		

Use a longitudinal, prospective, multi-site, fully powered RCT to test FACE-TC's efficacy to build capacity for ACP, to increase congruence in EOL treatment preferences and improve QoL.

Dana Farber (Baker)	7/13/2015 - 7/12/2017	.12 calendar
DANA FARBER CANCER INSTITUTE	\$1,668.00	
Relapsed Childhood Neuroblastoma as a Model for Parental End-of-Life Decision Making		

To continue enrollment, under a new funding mechanism, for the study entitled "Relapsed Childhood Neuroblastoma as a Model for Parental End-of-Life Decision Making". In our system, the study is entitled: PRo00004091 Parental Decision-Making for Children with Relapsed Neuroblastoma" (PDMCRN).

CHOP U19 Sub YR 2 5U19AR069525 (Huang)	9/30/2015 - 9/29/2019	1.80 calendar
--	-----------------------	---------------

NIAMS \$11,550.00
 Accelerating Clinical Adoption of PROMIS for Chronically Ill Children: The Child-centered Outcomes in Practice and Research (COPR) Center

To use longitudinal study design and measurement methodology to test condition-specific content validation of PROMIS Pediatric Short-Form (SF) by investigating patients' perspectives on the target concept, to test condition-specific construct validity of PROMIS Pediatric SF by evaluating baseline clinical phenotype defined by disease severity and treatment activity, and to test responsiveness to change on PROMIS Pediatric SF among pediatric cancer patients receiving active therapy and survivors.

5 R01 CA175759-05 (Baker) 4/1/2013 - 3/31/2018 .60 calendar
 NCI \$44,199.00
 Protocol CTCAE YR 05

The goal of this 5-year, multi-center study is to design and validate a pediatric self-report and caregiver-proxy report measure (in English and Spanish) of subjective adverse events (AEs) experienced by children undergoing treatment for cancer that will be used to screen and validly measure AEs in pediatric oncology trials.

Pending

1 R01CA218397-01 (Huang/Baker MPI) 7/1/2017 - 6/30/2022 1.80 calendar
 NCI \$395,427.00
 Patient-Reported Outcomes version of the CTCAE for Childhood Cancer Survivors

To establish content validity of symptomatic adverse events (AEs) for adult survivors of childhood cancers based on the current patient-reported outcomes version of the Common Terminology Criteria for Adverse Events (PRO-CTCAE), To validate a modified PRO-CTCAE for survivors of childhood cancer (PRO-CTCAE-SCC) using clinical parameters and psychometric methodology, and to develop tailored versions of PRO-CTCAE-SCC, including core and expansion versions, for survivors who experience different diagnoses and treatment modalities

R01 1 R01 NR016720-01Sub w DFCI (Baker) 7/1/2017 - 6/30/2021 .90 calendar
 NIH \$34,941.00
 The Pediatric Quality of Life and Evaluation of Symptoms Technology (PediQUEST) Response Randomized Controlled Trial: coupling e-PROMs with palliative care to improve quality of life in children

To conduct a multisite RCT of the PediQUEST Response (intervention) vs. usual care (control) in 136 children with advanced cancer (N=68/arm) in 4 pediatric cancer centers. To ascertain parental outcomes and compare results between arms over the 16-week period, we will measure parent activation at baseline and at study exit (using a modified version of the Parent-Patient Activation Measure), and monthly psychological distress and HRQOL.

Other Inactive

Informed Consent in Pediatric Phase I Cancer Trials - NIH grant - 5 R01 CA122217-02
 Role: St. Jude Principal Investigator

NIH Loan Repayment Plan Grant - "Development, Validation, and Implementation of a Symptom Survey to Assess Symptom Patterns in Pediatric Oncology Patients at the End of Life"

Role: Principal Investigator

An enhanced symptom assessment method: SCT inpatient unit pilot; PCS research council internal grant

Role: Principal Investigator and mentor of Kathy Anno

Creating and Validating Child Adverse Event Reporting in Oncology Trials

NIH Grant: 1 R01 CA175759-01

Principal Investigators: Baker, Justin N; Freyer, David R; Hinds, Pamela S; Mack, Jennifer W; Reeve, Bryce B (Contact); Sung, Lillian

Quality of Life for Children Suffering from Serious Illness Seminar

\$60,000 grant from The Harold and Rebecca Gross Foundation – facilitated through ALSAC
Offsets the price of institutional educational program

Role: Principal investigator

An enhanced symptom assessment method: a pilot in the SCT inpatient unit

\$55,000 grant from The Harold and Rebecca Gross Foundation – facilitated through ALSAC
Offsets the price of institutional pilot program

Role: Principal investigator

"Development & Dissemination of Education in Pediatric Palliative Care"

R25 mechanism to adapt the Education in Palliative and End-of-Life Care (EPEC) Program for Pediatrics

Role: Core faculty member and content expert

Relapsed childhood neuroblastoma as a model for end-of-life decision-making

PCORI Grant to identify perceived burdens and benefits of therapy, and decisional satisfaction or regret of parents of children with progressive neuroblastoma

Role: St. Jude Principal Investigator

RESEARCH PROJECTS and PROTOCOLS:

Role: Principal Investigator

XPD08-136 - Establishing research priorities in pediatric palliative care: A Delphi Study
Role: Principal Investigator

ICNA: International Communication Needs Assessment Analysis of Communication within the Multidisciplinary Pediatric Oncology Model
Role: Principal Investigator

XPD08-026 - Informed Consent in Pediatric Phase I Cancer Trials: An exploratory study regarding the understanding of parents undergoing phase I clinical trial discussions. NIH grant - 5 R01 CA122217-02
Role: St. Jude Principal Investigator

Retro Ethics – Evolution of Pediatric Ethics: Ten-Year Experience at a Pediatric Academic Medical Center
Role: Faculty Sponsor and Senior Investigator

XMP08-032 - International Palliative Care Survey for Pediatric Oncologists
Role: Principal Investigator

XPD 09-094 - The impact of a pediatric palliative care team on end-of-life care characteristics of pediatric oncology patients
Role: Principal Investigator

XPD09-081 – Evaluation of Quality Measures for Coordination and Interdisciplinary Collaboration in the Care of Patients Hospitalized in the PICU: A Quality Improvement Project
Role: Principal Investigator

XPD09-082 - Assessing Quality Indicators for End-of-Life Care in Children Who Suffer Death Related to Malignancy before and After Implementation of a Standard Operating Procedure
Role: Principal Investigator

DIARY1 – The feasibility of a daily diary methodology with a pediatric cancer population
Role: Co-investigator

NR 10-022 Withdrawal of Life-Sustaining Support in the Pediatric Intensive Care Unit: Practice Vulnerability and Natural History
Role: Senior Investigator

Preliminary Content Validation Steps for the Pediatric Oncology Patient Self-Report CTCAE
Role: St Jude Principal Investigator

LiSTENING: Learning in Story: Elicited Narrative Informs Navigating Genetics
Role: Faculty Sponsor

Medical record review of deaths at St. Jude Children's Research Hospital from 7/2001-2/2005
"End of Life Care Characteristics of Pediatric Oncology Patients"
Role: Principal Investigator

PANASX - Returning Research Results to Research Participants:
A Needs and Attitudes Assessment of Adolescents and Parents of Children with Cancer
Role: St. Jude Principal Investigator

NR 10-065 Palliative Sedation in Terminal Pediatric Cancer: Experience at St. Jude
Role: Senior Investigator

COMPLET - Timely End-of-Life Communication with Parents of Children with Brain Tumors:
The COMPLETE Study

Role: St. Jude Principal Investigator

XMP 11-014 - Ethics and decision making at the end-of-life: an international survey of pediatric oncologists

Role: Co-Principal Investigator

DECIDE04 – Family-Staff Communication Intervention at the Time of Difficult Treatment
Decision Making

Role: Co-Investigator for initial study, senior investigator of secondary analysis

XPD 08-126 - Development of a Pediatric Nausea Assessment Tool for Patients Receiving
Antineoplastic Therapy Using Therapeutic Play

Role: Faculty sponsor

NR 09-195 Use of long-term epidural and peripheral nerve blocks in the context of end-of-life: a
review of cases from St. Jude Children's Research Hospital

Role: Co-investigator

NKT118 – Development of a novel agent for prevention of opioid-induced constipation

Role: Study consultant

RESponse to the Pediatric ONcology Suffering Experience (RESPONSE) Trial" (PA-10-067)

Role: St. Jude Principal Investigator

NBTP02 - Comprehensive molecular analysis of tumor samples from patients with DIPG – a
pilot study

Role: Co-Investigator

PBTC20 - A Phase I Clinical Trial of AZD2171 in Children with Recurrent or Progressive Central
Nervous System (CNS) Tumors

Role: St. Jude co-investigator

SJBG09 - A Phase I clinical trial evaluating the combination of vandetanib and dasatinib during and after radiation therapy (RT) in children with newly diagnosed diffuse intrinsic pontine glioma (DIPG).

Role: Co-Investigator (QoL aims)

SJPDGF - Phase I Study of Platelet Derived Growth Factor Receptor (PDGFR) Inhibitor Crenolanib (CP-868,596) in Children and Young Adults with Newly Diagnosed and Recurrent High-Grade Glioma & DIPG

Role: Co-Investigator (QoL Aims)

PBTC22 – Phase II Study of Bevacizumab plus Irinotecan (Camptosar) in Children with Recurrent, Progressive, or Refractory Malignant Gliomas, Diffuse/Intrinsic Brain Stem Gliomas, Medulloblastomas, Ependymomas and Low Grade Gliomas

Role: St. Jude co-investigator

PBTC23 – Phase I and Pharmacokinetic Study of Enzastaurin (LY317615) in Children and Adolescents With Refractory Primary CNS Tumors

Role: St. Jude Co-investigator

PBTC 30 - A Phase II Trial of Capecitabine Rapidly Disintegrating Tablets and Concomitant Radiation Therapy in Children with Newly Diagnosed Brainstem Gliomas

Role: St. Jude Primary Investigator

INVITED PRESENTATIONS and EDUCATIONAL SESSIONS

International

1. Symptom Management in Children at the End of Life. Workshop at the International Symposium on Pediatric Palliative Care, Sao Paulo, Brazil, October 2006.
2. Research Alternatives for Pediatric Palliative Care. Workshop at the International Symposium on Pediatric Palliative Care, Sao Paulo, Brazil, October 2006.
3. Suffering and Modern Medicine: Pediatric Palliative Care as a Solution. International Symposium on Pediatric Palliative Care, Santo Domingo, Dominican Republic, November 2007.
4. Integrating Pediatric Palliative Care into Oncology. International Symposium on Pediatric Oncology and Palliative Care, Recife, Brazil, September 2008.
5. Pain Management and End-of-Life Issues. Moroccan Society of Pediatric Hematology and Oncology, International Symposium on Pediatric Neuro-Oncology, March 2010.
6. Neuropsychological complications. Moroccan Society of Pediatric Hematology and Oncology, International Symposium on Pediatric Neuro-Oncology, March 2010.
7. Pain Control at End of Life in Children and Young Adults with Cancer: The Benefits of Epidural and Peripheral Nerve Blocks Outweigh the Risks. 18th International Congress on Palliative Care, Montreal, Quebec, October 2010.

8. Integrated Palliative Care Practices to Improve the Quality of Pediatric Oncology Care. Pediatric Grand Rounds at Hospital for SickKids, Toronto, ON, January 2011.
9. Integrated Palliative Care Practices to Improve the Quality of Pediatric Oncology Care. Pediatric Grand Rounds at McMaster Children's Hospital, Hamilton, ON, January 2011.
10. State of the Science and an Overview of the St Jude Program. The Best of St Jude International Outreach Programme, Saudi Arabia, April 2011.
11. Integrating Palliative Care into the Ongoing Care of Patients with Chronic Illnesses. XXI Cátedra de Genética y Vida Humana, Symposium on Pediatric Palliative Care, Monterrey, MX, May 2012.
12. Communication and Decision Making Issues in Palliative Care. XXI Cátedra de Genética y Vida Humana, Symposium on Pediatric Palliative Care, Monterrey, MX, May 2012.
13. Pain and Symptom Control. XXI Cátedra de Genética y Vida Humana, Symposium on Pediatric Palliative Care, Monterrey, MX, May 2012.
14. Pediatric Palliative Care. MakatiMed International and Multidisciplinary Conference on Palliative Care, Makati City, Manila, Philippines, July 2012.
15. Pain and Symptom Control in Pediatric Oncology. Pediatric Oncology Symposium, Beijing, China, August 2012.
16. Pain and Symptom Control in Pediatric Oncology. Pediatric Oncology Symposium, Shanghai, China, August 2012.
17. Pain and Symptom Control in Pediatric Oncology. Pediatric Oncology Symposium, Xi'ang, China, August 2012.
18. Integrated Palliative Care Practices to Improve the Quality of Pediatric Oncology Care. King Hussein Cancer Center, 4th Regional Congress of Cancers and Blood Disorders of Childhood, Amman, Jordan, November 2012.
19. Establishing a Palliative Care Program in Developing Countries. King Hussein Cancer Center, 4th Regional Congress of Cancers and Blood Disorders of Childhood, Amman, Jordan, November 2012.
20. 20. Palliative Care in AYA: Obstacles, Needs, and Parents' Role. King Hussein Cancer Center, 4th Regional Congress of Cancers and Blood Disorders of Childhood, Amman, Jordan, November 2012.
21. The Role of Nursing in Establishing a Palliative Care Program in Developing Countries. King Hussein Cancer Center, 4th Regional Congress of Cancers and Blood Disorders of Childhood, Amman, Jordan, November 2012.
22. Challenges and Results Organizing a Palliative Program for Childhood Cancer. 2nd International Meeting on Pediatric Oncology, Barretos, Brazil, March 2013.

23. Integrating Palliative Care into AYA Oncology. St Jude VIVA Conference; Singapore, June 2014.
24. Integrating Palliative care into Pediatric Oncology. St Jude VIVA Conference, Singapore, June 2014.
25. Pediatric Palliative Care. International Symposium of Pediatric Neuro-Oncology, Singapore, June 2014.
26. First International Discussion Forum for Paediatric Palliative Care Professionals. Cardiff University, 7th International Children's Palliative Care Network, Cardiff, Wales, July 2015.
27. The Importance of Integrating Palliative Care into the Ongoing Care of Children with Cancer. Asociación de Hemato-Oncología Pediátrica de Centro América (30th Anniversary), Managua, Nicaragua, February 2016.
28. Communication and Relationship in Caring for Children with Cancer and their Families. Asociación de Hemato-Oncología Pediátrica de Centro América (30th Anniversary), Managua, Nicaragua, February 2016.
29. Decision-making and Advance Care Planning in Pediatric Oncology. GNN PODC PEARLS, Cure4Kids Global Neuroblastoma Network, June 2016, July 2016; August 2016.
30. Treatment of Non-Pain Symptoms at the End of Life in Pediatric Cancer. GNN PODC PEARLS, Cure4Kids Global Neuroblastoma Network, June 2016, July 2016; August 2016.
31. Care of the Imminently Dying Patient & Bereavement Care. GNN PODC PEARLS, Cure4Kids Global Neuroblastoma Network, June 2016, July 2016; August 2016.
32. Refractory Symptoms & Palliative Sedation. GNN PODC PEARLS, Cure4Kids Global Neuroblastoma Network, June 2016, July 2016; August 2016.
33. Phase I Clinical Trials with Integration of Quality of Life Research Studies. Young Investigator Day Plenary Session at the 48th Congress of the International Society of Paediatric Oncology, Dublin, Ireland, October 2016.
34. End-of-Life Care: A Taste of the EPEC-Paediatrics Curriculum. Preconference half day workshop at the 3rd International Congress on Pediatric Palliative Care, Rome, Italy, November 2016.
35. Adolescent/Young Adult Palliative Care. Plenary session at the 3rd International Congress on Pediatric Palliative Care, Rome, Italy, November 2016.
36. Leadership of a CPC Service. Roundtable discussion at the 3rd International Congress on Pediatric Palliative Care, Rome, Italy, November 2016.
37. Scientific Committee Co-Chair for the 4th International Congress on Pediatric Palliative Care, Rome, Italy, November 2018.

National

1. The Pediatric Supportive and Palliative Care Program at Christus Santa Rosa Children's Hospital. National Christus Health Meeting, Houston, TX, August 2002.
2. NIH Loan Repayment Project Update – Creation and Validation of a Symptom Assessment Tool. Palliative Care in Education and Practice, Harvard Medical School, Boston, MA, April 2006.
3. Establishing a Pediatric Palliative Care Program in a Cure-Oriented Setting. National Association of Pediatric Hematology/Oncology Nursing 30th Annual Conference, Hartford, CT, October 2006.
4. Research Alternatives for Clinical Staff Who are Too Stressed, Too Busy, and Too Clinically Focused to Even Think about Research. National Association of Pediatric Hematology/Oncology Nursing 30th Annual Conference, Hartford, CT, October 2006.
5. NIH Loan Repayment Project Update – Creation and Validation of a Symptom Assessment Tool. Palliative Care in Education and Practice, Harvard Medical School, Boston, MA, November 2006.
6. A National Survey of Pediatric Residency Program Directors and Residents Regarding Education in Palliative Medicine and End-of-Life Care. American Academy of Hospice and Palliative Medicine Annual Assembly, Salt Lake City, UT, February 2007.
7. Difficulties of End of Life Decision Making in Pediatric Oncology. Faculty presentation at Children's Mercy Hospital, Kansas City, MO, May 2007.
8. Pain and Symptom Management. Pediatric Palliative Care Collaborative, Who Will Care for the Children – A Pediatric Palliative Care Conference, Washington, September 2007.
9. The Effect of Race on the Quantity and Timing of End-of-life Care Discussions in Pediatric Oncology. American Academy of Hospice and Palliative Medicine Annual Assembly, Tampa, FL, January 2008.
10. The Impact of a “Do Not Resuscitate” Order on Treatment Regimen at a Tertiary Pediatric Oncology Referral Center. American Academy of Hospice and Palliative Medicine Annual Assembly, Tampa, FL, January 2008.
11. Compassion Fatigue in Pediatric Hospice and Palliative Medicine Providers. Children's Hospice International, San Francisco, CA, October 2008.
12. Implementation of a Patient Death Notification Policy and Its Impact at a Tertiary Pediatric Oncology Referral Center. American Academy of Hospice and Palliative Medicine Annual Assembly, Austin, TX, March 2009.
13. Informed Consent in Phase I Clinical Trials. Bioethics subcommittee presentation at Children's Oncology Group, Monrovia, CA, September 2009.
14. Palliative Care Practices Improve the Quality of Pediatric Oncology Care. Faculty presentation at Children's Mercy Hospital, Kansas City, MO, April 2010.

15. Quality of Life for Children Suffering from Serious Illness Seminar. Full day seminar at Children's Hospital of Illinois, Peoria, IL, June 2010.
16. Management of Nausea and Vomiting at the End of Life. Children's Hospice International World Conference, Washington, DC, October 2010.
17. Anorexia/Cachexia Syndrome. Children's Hospice International World Conference, Washington, DC, October 2010.
18. Use of Epidural and Nerve Block Catheters at the End of Life. Children's Hospice International World Conference, Washington, DC, October 2010.
19. Improving the Quality of Spiritual Care as a Dimension of Palliative Care. Children's Hospice International World Conference, Washington, DC, October 2010.
20. Palliative Care in Developing Countries. Session Chair and presenter at the International Society of Paediatric Oncology 42nd Congress, Boston, MA, October 2010.
21. Integration of Quality Palliative Care Practices into the Ongoing Care of Children with Cancer. Session Chair and presenter at the International Society of Paediatric Oncology 42nd Congress, Boston, MA, October 2010.
22. A Comparison of End-of-Life Characteristics of Pediatric Cancer Patients Who Participated In a Phase I Clinical Trial versus Those Who Did Not. American Academy of Hospice and Palliative Medicine Annual Assembly, Dearborn, MI, February 2011.
23. Ethical Decision Making. Grand Rounds at Hasbro Children's Hospital, Providence, RI, November 2011.
24. The Nuts & Bolts of Pediatric Palliative Care, For Clinicians Who Don't Usually Take Care of Children. Invited preconference workshop at the American Academy of Hospice and Palliative Medicine Annual Assembly, Denver, CO, March 2012.
25. Integrating Pediatric Palliative Care into Oncology Care. Center to Advance Palliative Care Special Conference, Miami, FL, July 2012.
26. Integrated Palliative Care Practices to Improve the Quality of Care for Pediatric Oncology Patients. Baptist Health of South Florida; Miami, FL, February 2013.
27. Challenges in Pediatric Palliative Care – A Workshop. Workshop presented at the American Society of Pediatric Hematology/Oncology 26th Annual Meeting, Miami, FL, April 2013.
28. EPEC-P – “Train the trainer.” Two day workshop presented at the American Society of Pediatric Hematology/Oncology 26th Annual Meeting, Miami, FL, April 2013.
29. Supporting Cancer Patients. Workshop in Healthcare Ethics presented at the University of Arkansas for Medical Sciences, Little Rock, AK, May 2013.

30. The Ethics of Consenting to Cancer Research (an expert panel discussion). Workshop in Healthcare Ethics presented at the University of Arkansas for Medical Sciences, Little Rock, AK, May 2013.
31. An Overview of the St Jude Division of QoL and Palliative Care: An Emphasis on Decision Making. Grand Rounds at the Children's National Medical Center, Washington DC, July 2013.
32. End of Life Care for AYA Patients. Institute of Medicine National Cancer Policy Forum, Washington DC, July 2013.
33. Quality of Life and Palliative Care: An Emphasis on Decision Making and Advance Care Planning. University of Texas MD Anderson Cancer Center, Houston, TX, September 2013.
34. Integrated Palliative Care Practices to Improve the Quality of Care for Pediatric Oncology Patients. Johns Hopkins University, Baltimore, MD, October 2013.
35. Quality of Life and Palliative Care: An Emphasis on Decision Making and Advance Care Planning. Caring for Kids with Cancer Conference Series presented at Baptist Health of South Florida, Miami, FL, January 2014.
36. Moral Distress and Compassion Fatigue. Texas Children's Hospital, Austin, TX, February 2014.
37. Quality of Life and Palliative Care: An Emphasis on Decision Making and Advance Care Planning. Texas Children's Hospital, Austin, TX, February 2014.
38. Quality of Life for Children Suffering from Serious Illness. Two day seminar at the Huntsville Affiliate Program (*120 staff attended over the 2 days*), Huntsville, AL, April 2014.
39. Pediatric Palliative Care – Program Development. SIG Session presented at the 28th Annual Meeting of the American Society of Pediatric Hematology/Oncology, Phoenix, AZ, May 2014.
40. Self-Care. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, May 2014.
41. Teaching with EPEC-P. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, May 2014.
42. Interdisciplinary Collaboration. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, May 2014.
43. Difficult Conversations Do Not Come With a Script: Adapting to the Unique Needs of Families at EoL. Webinar presented for the Child Life National Conference, June 2014.
44. Integrating Palliative Care into the Management of Children with Complex Chronic Condition. Grand Rounds at Children's Hospital of San Antonio, San Antonio, TX, July 2014.

45. Integrated Palliative Care Practices to Improve the Quality of Care for Pediatric Oncology Patients. Grand Rounds at Children's Hospital of Orange County, Orange, CA, August 2014.
46. Transition to Palliative Care in Pediatrics. 3rd Annual Neonatal/Pediatric Palliative Care Conference, Wilmington, NC, October 2014.
47. Integrating Palliative Care throughout the Illness Trajectory of Children with Complex Chronic Conditions. 3rd Annual Neonatal/Pediatric Palliative Care Conference, Wilmington, NC, October 2014.
48. Self-Care. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, Chicago, IL, October 2014.
49. Teaching with EPEC-P. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, Chicago, IL, October 2014.
50. Respiratory Conditions. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, Chicago, IL, October 2014.
51. Complex Symptom Management at End-of-Life in Pediatrics. Caring for Kids with Cancer Conference Series presented at Baptist Health of South Florida, Miami, FL, January 2015.
52. Walking the Line with Difficult Parents: Ethical Decision-Making with Families at the Fringes. Concurrent session presented at the American Academy of Hospice and Palliative Medicine Annual Assembly, Philadelphia, PA, February 2015.
53. Bad News Deserves Better Communication. Workshop presented at the 29th Annual Meeting of the American Society of Pediatric Hematology/Oncology, Phoenix, AZ, May 2015.
54. Speed Mentoring. Workshop presented at the 29th Annual Meeting of the American Society of Pediatric Hematology/Oncology, Phoenix, AZ, May 2015.
55. Management of Complicated Respiratory Conditions in Pediatric Oncology. SIG session presented at the 29th Annual Meeting of the American Society of Pediatric Hematology/Oncology, Phoenix, AZ, May 2015.
56. Self-Care. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, May 2015.
57. Respiratory Conditions. Education in Palliative and End-of-Life Care – Pediatrics National Workshop, May 2015.
58. Self-Care for Pediatric Hematology/Oncology Clinicians. Southern California Association of Pediatric Hematology Oncology Nurses Annual Conference, Los Angeles, CA, May 2015.
59. AYA Palliative Care. Southern California Association of Pediatric Hematology Oncology Nurses Annual Conference, Los Angeles, CA, May 2015.

60. Walking the Line with Difficult Parents: Ethical Decision-Making with Families at the Fringes. Nitschke-Kaskaske Memorial Lectureship, University of Oklahoma Grand Rounds, Oklahoma City, OK, June 2015.
61. Palliative Care in Adolescent and Young Adults: Needs, Obstacles, and Opportunities. 7th Annual Pedi-HOPE Conference, Austin, TX, August 2015.
62. Home-based Palliative Care - A Discussion of QoLA Kids Program. 7th Annual Pedi-HOPE Conference, Austin, TX, August 2015.
63. Integrating Palliative Care throughout the Illness Trajectory of Children with Cancer. Keynote Session presented at the International Conference on Hospice and Palliative Care, Orlando, FL, August 2015.
64. Walking the Line with Difficult Parents: Ethical Decision-Making with Families at the Fringes. International Conference on Hospice and Palliative Care, Orlando, FL, August 2015.
65. Cancer Is Stressful, But Life Is Too: Integrating Palliative Care into the Ongoing Care of AYA Patients. International Conference on Hospice and Palliative Care, Orlando, FL, August 2015.
66. Rescuing KR 1 and 2: Harnessing Hospital and Community Hospice Interdisciplinary Care Team Resources to Improve Quality of Care and Quality of Life for a Complex Patient. International Conference on Hospice and Palliative Care, Orlando, FL, August 2015.
67. Effect of Phase I Trial Enrollment on End of Life In Children with Cancer. Association of Pediatric Hematology/Oncology Nurses Annual Conference, Providence, RI, September 2015.
68. Integrated Palliative Care Practices to Improve the Quality of Care for Pediatric Oncology Patients. Vanderbilt Grand Rounds and Pediatric Research Conference, Nashville, TN, September 2015.
69. Integrated Palliative Care Practices to Improve the Quality of Care for Pediatric Oncology Patients. Grand Rounds at Texas Children's Hospital, Houston, TX, October 2015.
70. Healing Pablo – Integrating Palliative Care to Optimize the Care of AYA Oncology Patients. Caring for Kids with Cancer Conference Series presented at Baptist Health of South Florida, Miami, FL, January 2016.
