

# FACULTY POSITIONS

## CHEMICAL BIOLOGY & THERAPEUTICS

The Department of Chemical Biology and Therapeutics (CBT) at St. Jude Children's Research Hospital invites applications for **Two Open Rank Faculty positions** in Chemical Biology. We seek creative applicants with bold vision and demonstrated excellence in research at the interface of Chemistry, Biology and Medicine.

The faculty rank of candidates will be commensurate with their experience.

A curriculum vitae, concise summary of research contributions with links to three publications, well-articulated research plan (3-5 pages), and names and contact information of three references (for assistant member positions) should be submitted directly online.
