## For All Volunteer Placements

### General Expectations:

- Notify the Family, Guest & Volunteer Services Department of any absences.
- Sign in and out for each shift using the volunteer management database and wear your hospital-issued ID badge and purple neck rope prominently.
- Shift Management:
  - Utilize your volunteer portal, [stjude.vsyslive.com](http://stjude.vsyslive.com), to assign yourself to the available shift assignments and track service records.
  - Use your volunteer portal to update contact information, check schedules, view service records and schedule shifts from your computer or smartphone.
  - Your supervisor will be notified automatically of any schedule changes made through the portal.
  - If your change needs to be made within 24 hours of your schedule assignment, you must contact your supervisor by phone or email.
- Maintain confidentiality at all times and refrain from sharing information learned during volunteering outside the unit, department, or hospital.
- Adhere to the volunteer dress code.

### Compliance:

- Uphold confidentiality standards and adhere to all hospital policies while volunteering.
- Adhere to infection control standards for any area in which you serve.

- Respect the multi-cultural needs of patients and families.
- Successfully complete yearly competency quiz and any other mandatory training assigned.
- Follow St. Jude policies for reporting and handling accidents or injuries.
- Report any unusual occurrences, such as unusual behaviors, immediately to security, supervisor or other staff members.

### **Physical Requirements and Abilities:**

- Regularly required to stand, walk, sit, kneel, use hands to handle or feel objects and communicate verbally.
- Must be able to hear clearly and accurately to ensure effective communication and situational awareness, for example, clearly hear and understand overhead announcements.
- Specific vision abilities include close vision, depth perception and the ability to adjust focus.
- Occasionally lift and/or move up to 25 pounds occasionally if needed.

### **Cultural Sensitivity:**

- Demonstrate respect and understanding of the diverse cultural backgrounds represented at St. Jude.

## **Doggy Daze Assistant Volunteer Program**

### **Overview & Objective:**

St. Jude is utilizing animal visitation to provide therapeutic, educational and recreational opportunities for patients by interacting with screened dogs. Doggy Daze volunteers help to relieve stress by providing a break between treatments. While hospitalized, patients are separated from their pets at home- this program allows patients a unique experience with man's best friend. The Doggy Daze Assistant will escort Doggy Daze team, consisting of the dog and the handler, through inpatient rooms or outpatient waiting areas. This volunteer will ensure all rules are being followed and boundaries are being respected.

### **Role Specific Responsibilities:**

- Be point of contact between Doggy Daze teams and inpatient children and families.
- Be knowledgeable of the dog's abilities and limits; answering questions as they arise, providing support to the dog team, and enforcing boundaries when needed.
- Abide by Volunteer Services and the Child Life departmental guidelines on attire to include not wearing other dog program logos.

- Ensure that any unusual occurrences such as descriptive play, and unusual behaviors, are reported immediately to the Child Life Supervisor. +

**Required Skills, Knowledge, Experience & Attitude:**

- Warm, friendly, and patient demeanor.
- Able to function independently and work effectively with others without direct supervision.
- Must exhibit warm, friendly, and patient mannerisms.
- Able to work with a diverse population, recognizing and respecting their multi-cultural needs.
- Enjoy working with children and teens and be sensitive to their needs.
- Able to function effectively under conditions of stress and variability.
- Willingness to work with technology, including an iPhone app and the volunteer portal.

**Communication & Interpersonal Skills:**

- Must be fluent in the English language.
- Able to communicate effectively and work collaboratively with others.
- Able to confidently approach families in a kind, welcoming, and engaging manner.
- Able to communicate effectively with children.
- Able to respond to children's needs in various situations.
- Must feel comfortable with assisting programming involving dogs of all breeds and sizes.
- Must communicate directly with staff, patients, and families, especially regarding infection control, keeping patients, families, and Doggy Daze volunteers safe.

**Knowledge & Adaptability:**

- Experience in working with children/teens of a variety of ages is strongly preferred.
- Able to safely supervise children.
- Must demonstrate the knowledge and skills necessary to provide age-appropriate care to all patients served.

**Licenses or certifications:**

- N/A
